Re: Offer of Summer Internship 2026 | VLED Lab, IIT Ropar

Dear Sumit Kumar,

We are pleased to offer you a position in Summer Internship 2026 organised by the Vicharanashala Lab for Education Design (VLED Lab) at the Indian Institute of Technology Ropar. Your internship start date is 25/05/2026.

This offer is based on your performance in our rigorous evaluation process. Phase wise progression of the internship, programme schedule, and all operational details will be covered in the program FAQ at samagama.in and during your orientation and onboarding sessions.

ABOUT THE PROGRAM

Summer Internship 2026 is a structured summer internship programme built around real open-source software for India-centric problems. You will not be a background trainee completing exercises. You will be an assigned contributor on a live repository — working on problems that are active, consequential, and publicly accessible. Your name will be on the commits. Please note that participation in this programme is conditional on the maintenance of professional conduct in all interactions with mentors, peers, and coordinators throughout its duration.

PROVISIONAL OFFER — NOC PENDING

This offer is being issued on the basis of the self-declaration submitted by you in lieu of an institutional No-Objection Certificate. The offer is, accordingly, provisional. You are expected to submit the official NOC from your institution within two weeks of your internship commencement date (i.e., on or before 8 June 2026). The Lab reserves the right to review your continued participation in the programme if the official NOC is not received within a reasonable period thereafter.

To accept: please reply with the filled acceptance of this offer to this email within 5 days, with sudarshansudarshan@gmail.com in CC.

We look forward to having you on board.

Yours sincerely,

Sudarshan Iyengar

ACCEPTANCE OF OFFER

I, Sumit Kumar, confirm that I have read, understood, and accepted all terms, conditions, and obligations set out in this offer letter and in the program FAQ at samagama.in. I formally accept the offer of Summer Internship 2026.

Date

18/05/2026

Sumit
